

SE 315 – SOFTWARE PROJECT MANAGEMENT
STAKEHOLDERS DOCUMENT

PROJECT NAME: BrighBorn

GROUP MEMBERS: Zeynep Övgü YAYCI, Uğur DURA, Cem ÖZCAN, Burak ERDOĞAN, Mustafa AYKAÇ

| # | STAKEHOLDER | DESCRIPTION |
|---|-------------|-----------------------------------------------------------------------------------------------|
| 1 | Patients | They will check the genetical disease possibility and make decisions on having children |
| 2 | Doctors | They will have easier access to their patients and they won't have to find results themselves |
| 3 | Researchers | They can examine inter race marriage effects on human breeding easier |
| 4 | QIAGEN | Owner of our reference genetical disease database |
| 5 | Hospital | They can manage the genomic disease department easier |
| 6 | Staff | Staff needs to make maintenance for upcoming updates and fixes. |
